

Admissions

Students are admitted to St. Stephen School without regard to racial and ethnic origin. However, first priority is given to parishioners of St. Stephen Parish, to siblings of current students and to children of other Catholic parishes.

As enrollment allows, admission is also granted to non-Catholics whose parents endorse the mission of our school.

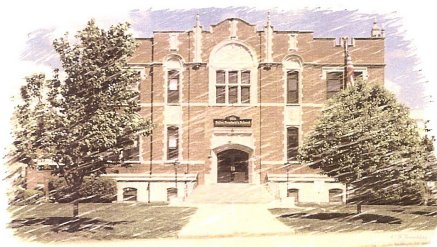

In the words of a parent...

"This wonderful place has become a second home to my children. It is a place where they feel love, respect and a great self-worth."

Mrs. Caryn Gentile
